COMMENT

Meeting Attended:

I was not able to attend a meeting

Important Issues:

Radio or Television Interference, Noise, Health and Safety, Visual / Aesthetic Resources, Proximity to Residences

Property Uses:

Residential

Comment:

We own two lots in the Deer Valley Meadows, Alamosa County. We purchase the lots so that we can build our dream home when we retire. We are very concerned because it looks like the proposed Preliminary Alternative Corridor and transmission lines are running through the area. We are especially worry about the impact to the health and safety to the residents in that area.

I-122-001

I-122-001: Electrical Characteristics (In Review)

Your email/letter/comment form has been received and your comment noted. Electrical characteristics of the proposed project and mitigation measures will be addressed in the Environmental Impact Statement. The Environmental Impact Statement is anticipated to be completed in late 2010 and will be available at <http://www.usda.gov/rus/water/ees/ea.htm>.
